

Port Wallis United Church

Worship Service Entrance Policy and Questions

-as of September 18, 2022-

Here is our Entrance Policy for “In Person Worship” at Port Wallis United Church.

After careful and prayerful consideration along with much discussion, the Session of Port Wallis has decided to update our Entrance Policy as of September 18, 2022.

Because Christ calls us to seek the health and welfare of all people, especially the fearful and anxious, and for the maximum safety of all people who are in our care and in our employ; we respectfully request that the mandate requiring the wearing of masks within the church, be removed with the following posted recommendations:

- we ask that you do not attend any services or events in the venue if you are feeling unwell.
- we encourage the wearing of masks, but it is at the discretion of each individual.
- we strongly encourage full vaccination for the well-being of everyone in our community.
- we will continue to provide masks at the entrance to the church for anyone who needs one.
